

Parents Newsletter No. 2
Autumn Term 2009

Games Kit

Fletcher Sports have the existing games shirts in stock which they have brought up from their warehouse. They have sufficient for at least another year in all sizes so there is no hurry to change styles.

We are looking to update and change the kit for next year and are discussing alternatives with suppliers. We have not made a decision yet and will let you know as soon as we do.

There is a sample kit on display but this is only one of the possible choices. The kit we select should hopefully be available from all local suppliers. Watch this space!

Harvest Service

This year we have decided not to support the shoebox appeal after many highly successful years. **Year 3 will lead our 2009 Harvest Service at 11am on Friday, 23rd October in our school hall.**

The theme is “Trees” and how important they are to our world. This year please could children bring in one of the following:-

Produce i.e. fruit, vegetables, packets or tins
Or send in an envelope containing a **donation** for “Guernsey Society for the Men of the Trees”.

The produce will be donated to WRVS through Mrs. Jackie Bromley and the donations will be used to fund tree planting either locally or abroad through “MillionTreeCampaign.com”.

P.T.A. – A.G.M.

Thursday, 12th November 7pm
Come and join us at the P.T.A. AGM. If you are willing to stand or wish to nominate a new member, please complete the detachable section at the bottom of the page and hand it in at the school office prior to the meeting.

Cut and return

Half-term School finishes at 2.40 /2.50 pm on Friday 23rd and pupils return to school for 8.35am start on Monday, 2nd November.

Girls’ Toilets

The girls’ toilets in the Infant Work Area are to be renovated completely, commencing over half-term, with completion by November 15th.

Decking

We are to create a small decked area outside the new Reception Class. This will be a gated area specifically for the Infant Classes.

Kit Sponsors

Seven years ago we had kit generously provided by Generali It has lasted very well and looked really smart but now needs replacing. If you know of a Company that would be willing to provide new sports kit, (shirt, shorts, socks) we should be most grateful. One set of kit for the team costs up to £400, including the cost of screen printing the Company logo and the shirts/tops.

I.C.T.

We are having our new ICT system rolled out over half-term. As a consequence, no e-mail communication will be possible. It is hoped that all will be back to normal by the 6th November.

PE kit and Fleece

If you would like to order a school fleece (start at £12.95) or a PE kit (£8.00) please contact the school office as soon as possible.

There is a minimum number that the company require before they will fulfil the order and we need at least two more to reach that target.

Kind regards,

K.M. Hinshaw
