

PE Kit and Games Lessons.

We have samples of the new coloured school PE kit at the school office. This kit is offered with a bag included in the price of £8 per kit. Please ensure all orders, including orders for the school fleeces (costing £12.50 to £15.50 for standard fleece and £13.50 - £17.50 for the showerproof fleece), are given to Mrs Brittain **by 18th January 2010**

Mr. Henry has made very genuine plea for games lessons:

'Please would you consider buying your son/daughter a proper sports tracksuit as the weather for the next few months could well be cold and wet. We will actively encourage them to worn as a "warm child is a happy child?"!!!'

I do support Mr. Henry's suggestion as tracksuits are very versatile and can be used at home and when out playing. However, I must point out that we are not insisting upon this as we are aware of the cost implications and are not introducing another item to the school uniform at this stage. My only request is that if you decide to follow this advice, that you to try to standardise them slightly and would kindly request that you buy a dark blue/black or maroon tracksuit which is as plain as possible.

An alternative would be to use plain track suit bottoms with a school sweat shirt that would be specifically for games use or even a school fleece top, although this is probably a more expensive option.

Football Cards

In line with our usual practice, we have permitted children to bring in these cards until such time that it becomes problematic. Sadly, after two trouble free weeks that time has arrived and I am now asking that children no longer bring these football cards into school commencing Monday 14th December.

Carol Service DVD - £11 each
