

# La Mare De Carteret Primary School Newsletter September 2010

## WELCOME!

Welcome back to a new school year. We already have had lots of exciting and interesting events to enjoy and learn from.

## SHIP AHOY!

Our new outdoor play equipment caused much excitement when it arrived last week. The children were very interested to see it being constructed and we had a rota in place to ensure that every class had a turn on the first day after it was completed.

Many thanks to the PTA and to all who contributed to bring so much enjoyment and the opportunity to develop physical skills and role play skills for our children.

## GET UPDATED!

New contact information forms are being sent out by the office to every family. Please ensure these are completed and returned to school promptly. It is very important that we can contact you in case of an emergency.

## PE KIT

Please can you give any orders for 'P.E. Kit in a bag' to the school office by 24<sup>th</sup> September.

## AFRICAN ASSEMBLY

On Monday 6<sup>th</sup> September, Fr Justin Malingwe led our school assembly. He told the pupils about the daily routine for a pupil in the village in the Zambia where he is priest. Our pupils were very interested and asked some very intelligent questions at the end of the talk.

It is hoped that we can link up with the school in Africa and hold fundraisers for items such as exercise books and pencils which we take for granted, but they don't have.

## SIGNING IN.

If your child is late to school for any reason, please sign them in the book by the office when they arrive. This applies even if you have sent a letter to school notifying of an appointment. It is very important to sign in, just in case of fire.

## THE GREAT HOMEWORK DEBATE!

Homework questionnaires are being sent to each family from school. Please could you complete and return these by Friday 24<sup>th</sup> September to have your say.

## SPORTS ASSEMBLY

On Monday 13<sup>th</sup> September, we had a truly inspiring assembly led by Alan Williams. Alan introduced three young sports professionals, who talked about their love of sports and what it takes to become a professional sportsperson.

The children saw the specialist equipment used by speed cyclists and professional runners.

The assembly was recorded by BBC Radio Guernsey, Channel T.V. and The Guernsey Press.

## DATES FOR YOUR DIARY
