

### Footballs in the playground.

Many children have been bringing balls to school to use at break and lunch-times.

We wish to discourage the use of 'stitched leather footballs' in the playground, as these are heavier and more dangerous, but would encourage pupils to use the moulded balls.

Basketballs are fine if used for basketball skills, but not for kicking! Only one game of football is allowed at a time and any other footballs can be used only for developing skills in a small area.

Skipping is a really good activity and lots of fun, so we would encourage your children to bring ropes in from home if they wish.

### 'Been there done that'

Shortly we will be circulating sheets/envelopes for the half term fundraiser organised by the PTA called 'Been there-Done that'.

This is a simple yet effective fundraiser and we urge you to take part as funds will go towards further playground developments.

It is hoped that it will be completed between 3<sup>rd</sup> October and 27<sup>th</sup> October. The completed sheets with the all the funds collected and handed in will be entered into special draw for a super children's prize.

There will also be a prize draw with a £50 cheque for first prize and £30 runner up prize

### URGENT Nuts in lunch boxes

As we have pupils that are severely allergic to nuts, once again I kindly request that parents do not pack nuts, products containing nuts, or peanut butter in the lunch boxes as this could have serious implications for the pupils .

### Newsletters by email

Would you like to receive school newsletters by email? If so, email the school office telling us your children's names and their classes on:-

### Harvest Service

Year 3 will be leading the 2008

Harvest Service on Monday, October 13<sup>th</sup> in the Hall at 11.15am. Year 3 parents are welcome to attend.

The theme of our assembly this year is based upon a charity called 'Send a Cow' ([www.sendacow.org.uk](http://www.sendacow.org.uk)) that helps poor farmers in Africa to become self-reliant by providing livestock, training and advice. The charity works with several groups including children orphaned by war.

This year, please could children bring in one of the following:

**Produce** i.e. fruit, vegetables, packets or tins,

**Shoe boxes** for the Rotary club to to Africa

Or send in an envelope containing **a donation** for 'Send a Cow'.

Thank you.

Mrs Brown and Miss Lane
